Loading waiting time - calculated from the time the truck arrives at shipper/cnee's premises until it departs:

180 minutes for round trip transport to the ports of Genova, Livorno and La Spezia

120 minutes for round trip transport to all other ports

120 minutes for one-way and intermodal transport

If total time (waiting + stuffing/unstuffing ops) goes over the limits above, a €100 charge will be applied for each hour or fraction in excess. In case of multistop haulage, the freetime is to be considered cumulative

Take note as per our company policy, we'll bill all charges only in €EUR

Please note that currency conversion, additional and surcharges have been quoted at current rates, our final charges may be adjusted to reflect alterations in such rates
